I. Applicability: This Attachment generally applies to businesses interacting with the public which are not included in *Alaska Essential Services and Critical Workforce Infrastructure Order* (formerly Attachment A). Retail businesses are addressed in Attachment E.

II. Non-Essential Businesses can resume operations if they meet all of the following requirements:

a. Social Distancing:
   i. Reservations are encouraged. Walk-ins are permitted if a visitor log is kept that has sufficient information to be able to contact a visitor should the need arise.
   ii. It is strongly encouraged that cloth face coverings be worn by all employees.
   iii. No more than 50 percent maximum building occupancy, as required by law, are permitted at any one time.
   iv. Groups or parties must be limited to household members only.
   v. Social distance of at least six feet should be maintained between individuals and household groups.
   vi. Establish a COVID-19 Mitigation Plan addressing the practices and protocols to protect staff and the public.
   vii. Entryway signage must notify the public of the business’s COVID-19 Mitigation Plan and clearly state that any person with symptoms consistent with COVID-19 may not enter the premises.

b. Hygiene Protocols:
   i. Employer must provide handwashing capability or sanitizer.
   ii. Frequent hand washing by employees, and an adequate supply of soap, disinfectant, hand sanitizer, and paper towels must be available.
   iii. Employer must provide for hourly touch-point sanitization (e.g. workstations, equipment, screens, doorknobs, restrooms) throughout work site.

c. Staffing:
   i. Employer must provide training for employees regarding these requirements and provide each employee a copy of the business mitigation plan.
   ii. Employer must conduct pre-shift screening and maintain staff screening log.

iii. No employee displaying symptoms of COVID-19 will provide services to customers. Symptomatic or ill employees may not report to work;
iv. No employee may report to the work site within 72 hours of exhibiting a fever.
v. Employer must establish a plan for employees getting ill and a return-to-work plan following CDC guidance, which can be found online at: https://www.cdc.gov/coronavirus/2019-ncov/community/guidance-business-response.html.

d. **Cleaning and Disinfecting:**
   i. Cleaning and disinfecting must be conducted in compliance with CDC protocols weekly or, in lieu of performing the CDC cleaning and disinfecting, the business may shut down for a period of at least 72 consecutive hours per week to allow for natural deactivation of the virus, followed by site personnel performing a comprehensive disinfection of all common surfaces.
   ii. When an active employee is identified as being COVID-19 positive by testing, CDC cleaning and disinfecting must be performed as soon after the confirmation of a positive test as practical. In lieu of performing CDC cleaning and disinfecting, businesses may shut down for a period of at least 72 consecutive hours to allow for natural deactivation of the virus, followed by site personnel performing a comprehensive disinfection of all common surfaces.

III. **Non-Essential Businesses Requiring In-Home Services**

   a. **Applicability:** Businesses not falling under the *Alaska Essential Services and Critical Workforce Infrastructure Order* (formerly Attachment A) which require provision of services in a person’s home. Examples include, but are not limited to, installation of products such as windows, blinds, and furniture, non-critical inspections and appraisals, and showing a home for sale.

   b. **These businesses can resume operations if they meet all of the following requirements:**

      i. **Social Distancing:**
