I. **Applicability:** This Attachment applies to businesses not interacting with the public and which are not included in the *Alaska Essential Services and Critical Workforce Infrastructure Order* (formerly Attachment A).

II. **Non-Public-Facing Businesses** may resume operations only if they meet all of the following requirements:

   a. **Social Distancing:**
      i. It is strongly encouraged that cloth face coverings be worn by all employees if interacting with the public and social distancing cannot be maintained.
      ii. All occupied desks, cubicles, or open workspaces should be at least six feet apart.
      iii. Any high-risk employee must be provided an alternative workspace and/or special accommodations at the employee’s request to avoid contact with, and mitigate the risk of, the employee’s exposure to colleagues and others at the business.
      iv. Employers should make efforts to maximize remote work opportunities for eligible employees.
      v. Establish a COVID-19 Mitigation Plan addressing the practices and protocols to protect staff.

   b. **Hygiene Protocols:**
      i. Employer must provide hand washing capability or sanitizer.
      ii. Frequent hand washing must be enforced.
      iii. An adequate supply of soap, disinfectant, hand sanitizer, and paper towels must be available.
      iv. Employer must provide daily touch-point sanitization (e.g. workstations, equipment, screens, doorknobs, restrooms) throughout the work site.

   c. **Staffing:**
      i. Provide training for employees regarding these requirements and provide each employee a copy of the COVID-19 Mitigation Plan.
      ii. Employer must conduct pre-shift screening and maintain staff screening log.
      iii. No employee displaying symptoms of COVID-19 will provide services to customers. Symptomatic or ill employees may not report to work.
      iv. No person may work within 72 hours of exhibiting a fever.

For the latest information on COVID-19, visit [coronavirus.alaska.gov](https://coronavirus.alaska.gov)
v. Employer must establish a plan for employees getting ill and a return-to-work plan following CDC guidance, which can be found online at: https://www.cdc.gov/coronavirus/2019-ncov/community/guidance-business-response.html.

d. Cleaning and Disinfecting:
   i. Cleaning and disinfecting must be conducted in compliance with CDC protocols weekly or, in lieu of performing the CDC cleaning and disinfecting, the business may shut down for a period of at least 72 consecutive hours per week to allow for natural deactivation of the virus, followed by site personnel performing a comprehensive disinfection of all common surfaces.
   ii. When an active employee is identified as being COVID-19 positive by testing, CDC cleaning and disinfecting must be performed as soon after the confirmation of a positive test as practical. In lieu of performing CDC cleaning and disinfecting, businesses may shut down for a period of at least 72 consecutive hours to allow for natural deactivation of the virus, followed by site personnel performing a comprehensive disinfection of all common surfaces.
