I. **Applicability:** This Attachment applies to all libraries, museums, and archives, and supersedes Mandate 2.1.

II. **Libraries, archives, and museums may resume operations if they meet all of the following requirements, as well as applicable local rules and ordinances:**

a. **General:**
   i. It is strongly suggested that cloth face coverings be worn by all employees and members of the public.
   ii. No more than 25 percent of maximum occupancy for public areas, as required by law, is permitted at any one time.
   iii. Social distance of at least six feet should be maintained between individuals and household groups.
   iv. Each library, archive, or museum must establish a COVID-19 Mitigation Plan addressing practices and protocols to protect staff and the public.

b. **Hygiene Protocols:**
   i. Employer must provide hand washing capability or sanitizer.
   ii. Frequent hand washing by employees must be enforced.
   iii. An adequate supply of soap and/or hand sanitizer, disinfectant, and paper towels must be available.
   iv. Employer must provide daily touch-point sanitization (e.g., workstations, equipment, screens, doorknobs, restrooms) throughout the facility.

c. **Staffing:**
   i. Employer must provide training for employees regarding these requirements and provide each employee a copy of the COVID-19 Mitigation Plan.
   ii. Employer must conduct pre-shift staff screening and maintain a staff screening log.

d. Cleaning and Disinfecting:
   i. Cleaning and disinfecting must be conducted in compliance with CDC protocols weekly or, in lieu of performing the CDC cleaning and disinfecting, the library, archive, or museum may shut down for a period of at least 72 consecutive hours per week to allow for natural deactivation of the virus, followed by site personnel performing a comprehensive disinfection of all common surfaces.
   ii. When an active employee is identified as being COVID-19 positive by testing, CDC cleaning and disinfecting must be performed as soon after the confirmation of a positive test as practical. In lieu of performing CDC cleaning and disinfecting, the library, archive, or museum may shut down for a period of at least 72 consecutive hours to allow for natural deactivation of the virus, followed by site personnel performing a comprehensive disinfection of all common surfaces.
