

Non-Essential Public Facing Businesses Generally (Not Including Retail)
Attachment D
ADVISORY DOCUMENT PHASE III-IV
May 22, 2020

- I. **Applicability:** This Attachment generally applies to businesses interacting with the public, which are not included in *Alaska Essential Services and Critical Workforce Infrastructure Order*. Retail business guidance is addressed in Attachment E.

- II. **Non-Essential Businesses can resume operations. The following information is for the purposes of providing guidance and best practices.**
 - a. Social Distancing:
 - i. Reservations are encouraged. Walk-ins are permitted. A visitor log is not necessary, but one that has sufficient information to be able to contact a visitor should the need arise can be helpful.
 - ii. It is encouraged to continue having employees, who are in direct contact with the public, wear cloth face coverings.
 - iii. Social distancing of at least six feet continues to be a best practice.
 - iv. Persons with symptoms consistent with COVID-19 should not be on the premises.

 - b. Hygiene Best Practices:
 - i. Handwashing capability or sanitizer availability is encouraged.
 - ii. Employees should frequently wash their hands.

 - c. Staffing:
 - i. No employee displaying symptoms of COVID-19 will provide services to customers. Symptomatic or ill employees may not report to work;
 - ii. No employee may report to the work site within 72 hours of exhibiting a fever.
 - iii. Employer must establish a plan for employees getting ill and a return-to-work plan following CDC guidance, which can be found online at: <https://www.cdc.gov/coronavirus/2019-ncov/community/guidance-business-response.html>.

 - d. Cleaning and Disinfecting:
 - i. It is recommended that cleaning and disinfecting continue to be conducted in compliance with CDC protocols.
 - ii. When an active employee is identified as being COVID-19 positive by testing, CDC cleaning and disinfecting must be performed as soon after the confirmation of a positive test as practical. In lieu of performing CDC cleaning and disinfecting, businesses may shut down for a period of at least 72 consecutive hours to allow for natural deactivation of the virus, followed
