ALASKA RESIDENTS

OPTION 1: TEST BEFORE RETURNING

Same as non-Alaska resident option 1.

OPTION 2: TEST UPON RETURNING

Same as non-Alaska resident option 2, but the test is free.

OPTION 3: QUARANTINE

If you choose to not take a test, self-quarantine for 14 days at your own expense. This option is available only to Alaska residents.

Alaska residents who have traveled outside the state for less than 72 hours must complete a Travel Declaration Form upon return, but are not required to test or quarantine.

CRITICAL WORKFORCE

Complete a Travel Declaration Form each time you arrive and follow your employer's approved COVID-19 protective plan.

Critical-infrastructure workforce employees must follow their employers' plan for both work-related and non-work-related travel to Alaska.

Working air crews are subject to the current FAA air carrier SAFO and do not need to complete a Travel Declaration Form.
